Executive Secretary's Message

During these last few months there has been a lot of uncertainty and much adjustment to the new ways of accomplishing our work. I am grateful to the staff at HEAB for continuing to do a great job and for quickly adapting to working from home (and for taking turns coming into the office). I also want to acknowledge the tremendous job all of you in the schools are doing. In addition to taking care of your health and the health of your families, I know you are watching out for the students you serve. Thank you all for your caring and your commitment. Stay safe.

Connie
